Dear Sir or Madam:

It is a pleasure to write to you about the Equity First Foundation. We recently worked with Lisa Strahs-Lorenc and Rhonda Klch as they hosted "The Game of Life" at Lindenhurst High School last month. Lisa secured local business representatives to come into the high school and represent their business and specialties. The organization also provided appropriate literature for our students. The materials were thorough and the expectation was clear for our students. Working with Ms. Strahs-Lorenc and Ms. Rhonda Klch was wonderful and easy as we felt confident that everything they were handling would be a success.

The event was a complete success and provided a real life learning experience for our students. All of the guests were professional and related their information to our student population. We would definitely host this program again with the Equity First Foundation.

Please do not hesitate to contact me with any questions at 631-867-3000 or email me at jwilliams@lindenhurstschools.org

Sincerely,

Mrs. Joanne Williams
Business Educator
