Offering Support During Challenging Times

Equity First Foundation Partners with Chef to Serve Grab and Go Meals

March 18, 2020. Sinai, New York: We all know about the health and economic crisis that this Coronavirus is causing. There are many things we don't know. In the meantime, how are people getting much needed food? Many may not have the economic means right now, with their jobs on hold, and their sources of money dwindling.

Equity First Foundation, a non-profit organization driven by community needs, has partnered with Chef Douglas Mase, Scott Mase from Mase Closeouts and Indigo Restaurant in Patchogue for the 1st of several Grab and Go events. This event requires registration on EventBrite at <https://www.eventbrite.com/e/grab-go-1000-tickets-100283667148>, and will take place tomorrow, March 19 through March 22 from 4-8 pm at Indigo. The goal is 1,000+ meals to be served during this time period. Rhonda Klch, Executive Director of EFF is still seeking restaurants and sponsors that will host these take out meals in the future.

Please contact Rhonda at the number(s) above to become a supporter of these much-needed events to support our Long Island community. We all need to find ways to help one another through these very difficult and challenging times. Let's work together as Long Islanders to step up and work together!
